

PRIVACY POLICY MODEL FOR MOBILE APPLICATIONS

This privacy policy governs your use of the software application Digital Diamond Baseball (“Application”) for mobile devices that was created by Cass Consulting Inc. The Application is a baseball simulation game.

What information does the Application obtain and how is it used?

User Provided Information

The Application requires that you create an account. When you create this account you are only required to provide an email address. We will never use this email address to contact you except when you request to reset your password.

Automatically Collected Information

The Application does not automatically collect any information while you are using the Application except for the expiration dates of subscription-based products that you purchase.

Does the Application collect precise real time location information of the device?

This Application does not collect precise information about the location of your mobile device.

Do third parties see and/or have access to information obtained by the Application?

This Application does not provide any information obtained by the Application to third parties

What are my opt-out rights?

You can refuse to create an account and uninstall the Application. You may use the standard uninstall processes as may be available as part of your mobile device or via the mobile application marketplace or network.

Data Retention Policy, Managing Your Information

We will retain the email address that you provide when you create an account, and the expiration dates of subscription-based products that you purchase, for as long as you use the Application and for a reasonable time thereafter. If you’d like us to delete your account, please contact us at support@digitaldiamondbaseball.com and we will respond in a reasonable time.

Children

We do not use the Application to knowingly solicit data from or market to anyone, including children under the age of 13. If a parent or guardian becomes aware that his or her child has provided us with information without their consent, he or she should contact us at support@digitaldiamondbaseball.com. We will delete such information from our files within a reasonable time.

Security

We are concerned about safeguarding the confidentiality of the email address you provide during account creation. We provide physical, electronic, and procedural safeguards to protect information we process and maintain. For example, we limit access to this information to authorized employees and contractors who need to know that information in order to operate, develop or improve our Application. Please be aware that, although we endeavor provide reasonable security for information we process and maintain, no security system can prevent all potential security breaches.

Changes

This Privacy Policy may be updated from time to time for any reason. We will notify you of any changes to our Privacy Policy by updating The Application with the new Privacy Policy. You are advised to consult this Privacy Policy regularly for any changes, as continued use is deemed approval of all changes.

Your Consent

By using the Application, you are consenting to our processing of your information as set forth in this Privacy Policy now and as amended by us. "Processing," means using cookies on a computer/hand held device or using or touching information in any way, including, but not limited to, collecting, storing, deleting, and using information, all of which activities will take place in the United States. If you reside outside the United States your information will be transferred, processed and stored there under United States privacy standards.

Contact us

If you have any questions regarding privacy while using the Application, or have questions about our practices, please contact us via email at support@digitaldiamondbaseball.com.
